Ms. Weatherford,

Thank you. I will send a Microsoft teams meeting invite later today. Do you have specific issues or areas of interest you would like us to focus on for the meeting? Do you think a short presentation on the Assumption process and NHPA consultation would be helpful or would you prefer to just have discussion on your points of interest?

Thanks,

Kelly Laycock

Unfortunately only for the 1130-100pm slot on Oct 6. The afternoon of Oct 7 is available if that works?

Ms. Weatherford,

It's my understanding, based on communication with Katherine Pugh, the Poarch Band of Creek Indians want to consult regarding the EPA's action on the State of Florida's request to assume administration of

a Clean Water Act Section 404 program as well as under Section 106 of the National Historic Preservation Act. I would like to begin scheduling our first meeting. I have 4 time slots for next week that would work for our team and was hoping to see if any of these work for you. We are available for 1.5 hours on Tuesday 10/6: 11:30am-1pm, Wednesday 10/7: 9:00pm-11:30pm or 1pm-2:30pm, and Thursday 10/8: 2:30-4pm. These times are approximate and can be shifted if a similar time works. Also, if none of these times work, please suggest alternate times which may work in the next 2 weeks and we will do our best to accommodate your schedule. To facilitate a productive discuss, are there specific topics or questions you would be able to share so that we can ensure we have the correct team members on the call? We look forward to meeting, please reach out if you have any questions or concerns.

Thank you,
Kelly Laycock
